Captivate European Tech Buyers in One-on-One, Scheduled Meetings

Tech Connect LIVE, a dynamic event organized by Levin Consulting, will unite consumer tech vendors and channel buyers in Barcelona on June 17-19, 2025 at the Catalonia Barcelona Plaza Hotel.

The format of the event allows vendors to introduce products to category buyers and distributors via pre-scheduled, one-on-one meetings held within their dedicated exhibit area in the Vendor Expo.

The best way to build relationships is face-to-face. Whether you're seeking exposure, looking to expand your distribution, or become more strategic in the channel, Tech Connect LIVE is the event you've been waiting for.
